

Restoration House

Decorated in a country hunting and fishing lodge theme, Restoration House is fully equipped with six private bedrooms and three full baths. A living room, dining room and fully equipped kitchen accommodate all of your needs with the comforts of home. A beautiful wraparound porch overlooks scenic paths and is situated on the edge of our 14 acre wooded walking trails. Every room has a queen size or full size bed, and many have additional bunks or twin beds. All beds are beautifully appointed with patchwork quilts designed to encourage relaxation. The kitchen is fully equipped with a large family table, full size refrigerator, stove, microwave, toaster, and coffee maker, dishes, silver and basic cookware.
